COACHING

LEADERSHIP & WORKING RELATIONSHIPS

We are keen to work with you to create a package that meets your objectives. If you are looking for a valuable experience to boost morale and give quality training to your team, let us know, and we can arrange a chat.

We work with some very experienced business and life coaches, focusing on Business Management, Leadership, Workplace Relationships, and Confidence; using established techniques, in-conjunction with bespoke outdoor activities.

Your package will be created around your goals. It all begins with a conversation about your experiences with your team, and your hopes, in terms of team well-being, working relationships, leadership styles, increased productivity, and increased efficiency.

As your package is bespoke for you, we may visit you on-site or a venue of your choosing, arrange a residential package at one of our partner venues, or simply welcome you at our base, Talkin Tarn Country Park. This could range from a stand-alone activity, to an intensive retreat with follow-up training.

BOOK NOW

Get in touch today to discuss your ideal activity package. A quick email is all it takes and we can liaise online, or arrange a time to call or visit if you prefer. (info@independentadventure.co.uk)

If you prefer to call, please get in touch with the office on 01228 420123 and we will get back to you as soon as we can. Please be aware that we can often be very busy with other groups so may not be able to call back immediately during sociable hours - email is the best way to gain a quick response.

Every event is different so let us know;

- The purpose of your trip - fun, reward, team bonding, communication skills....
- Your ideal dates
- Group size
- Any time constraints
- Additional needs within your group - we are happy to make adjustments
- Specific activities that you are keen to include

Once we have worked together to create your ideal package, we will hold your dates for up to 2 weeks while you confirm with your group members and arrange payment of your deposit. We require a payment of one-third upfront and the balance will be payable 1 month before your event, when we will confirm group numbers etc. Please go to www.independentadventure.co.uk/about-us/terms-conditions for more information.

Our activities are compehensively risk assessed and our instructors are all suitably qualified and experienced to deliver fantastic experiences for your group. Please help us by declaring any medical or access issues as soon as possible to enable us to make any required adaptations for your event.

Whilst we do our best to keep you safe and mitigate risks, it is also very important that all participants recognise that there is an inherent risk, which may result in injury or even death, in participating in any adventure activity, which they must accept.

ON THE DAY

Please remind your group to bring a full change of clothes, shoes, and a towel for all water activities

If your event is at Talkin Tarn, we will meet you at our waterfront cabin, near to the tea rooms. Parking at Talkin Tarn is pay and display at £2.40 per day.

Please arrive around 15 minutes early to make the most of your activity time.

If we are coming to you, then we will usually arrive 1-2hrs before your start time to set up. Usually we will be able to set up without bothering you.

Dress according to the conditions and your activity - coats, hats, suncream etc.. We recommend comfortable sports clothing for all of our activities. Long hair should be tied back.

For water activities please wear shoes that you are happy to get wet - trainers or wetsuit shoes are ideal. We usually advise against wetsuits as you will hopefully stay in your boats and out of the water, meaning that wetsuits will become uncomfortable and chilly. Wear a lightweight waterproof top - we have some to borrow if you don't have one.

Crocs/Sliders/Wellies are not appropriate for adventure activities.

We do have some wetsuits if you prefer. (please wear swimwear under wetsuits.)
